

The National Hunter & Jumper Association

The National Hunter & Jumper Association is a democratic and responsive organization which will represent its members in assisting in governing and improving our sport. We will focus on the issues. Our goal is to use available resources and attract new people who will become participants in our discipline. We will dedicate our efforts to unite, and thus better represent, our sport to local, regional and national associations.

We cordially invite you to join the National Hunter & Jumper Association and become involved in promoting, supporting, and governing our sport.

Dues: Annual: \$25.00
 Lifetime: \$250.00
